

Contribution of Accoya® towards LEED V4.1

Accoya wood may contribute to several credits of the U.S. Green Building Council’s LEED Program (Leadership in Energy & Environmental Design). In 2018/19, LEED issued an update to LEED version 4, with LEED [Version 4.1](#).

Accoya is eligible for credits in recognition of LEED’s sustainability considerations, in particular in the Building Design & Construction (BD+C) and Interior Design & Construction (ID+C), sections of the various rating systems. The table below gives a good overview for which LEED v4.1 credits application of Accoya can provide a contribution. For further details, please contact us at sustainability@accsysplc.com.
