WHY CHOOSE ACCOYA?

Accoya is a versatile choice for both commercial and residential decking. Unlike composite decking, Accoya is significantly lighter, which speeds up installation.

Accoya decking can be precisely profiled including grooved designs for a clean, modern look and easy installation with hidden fixings or traditional face screws.

Available in both natural and coloured grey, Accoya decking offers lasting beauty with colour that runs to the core perfect for a consistent, low-maintenance finish.

Ready for the ultimate decking experience that reduces waste, simplifies handling and speeds up fitting?
